Welcome to our e-newsletter publication. Did you know the City participates in 2 separate aggregates for electric and gas? Navigating electric and gas suppliers can be confusing. Our *electric* savings is through [Energy Harbor](#). The City partners with NOPEC to make sure you receive a low rate for your *gas*. Some 3<sup>rd</sup> party companies try a bait and switch approach by offering low introductory rates and we receive numerous questions about [how you can find who your energy supplier is](#) on your gas and/or electric bill. Let us help you be an informed consumer! Go to [www.nopec.org](http://www.nopec.org) for additional help and assistance in answering your questions or visit the City website ["How Do I"](#) or ["Popular Links"](#) sections.
