## MAYOR'S MESSAGE

**Richmond Heights Mayor**  
David H. Roche

Welcome to our e-newsletter publication and to Earth Week, where we are reminded of the footprint we leave on this precious earth and our environment. Richmond Heights will be celebrating Arbor Day this coming week with a small ceremony. A tree will be donated by the R.H. Garden Club & the R.H. Kiwanis Club for Community Park with Service Department. Arbor Day Ceremony will be held Friday April 30<sup>th</sup> at 2:00 p.m. in Community Park at the tennis courts. One of our valuable partners, Cuyahoga County Water and Soil Conservation District, has excellent educational articles, webinars, and workshops on how we can all do a better job of [taking care of Mother Earth](#).

### **SPRING PLANTING SHOULD PLAN FOR DEER RESISTANCE**

It is time that we all start to think about planting our gardens and yards full of colorful annuals and perennials. Unfortunately, many of those plants may be “deer candy” and you have just spent many hours and lots of money to feed the deer and other critters. Although, if hungry enough, deer will feast on most plants; let this guide from Petitti Garden Centers help you choose plants that are less likely to feed the deer and more likely provide you and your home an aesthetically pleasing landscape.
