Welcome to our e-newsletter publication. Did you know the results of the census help communities secure funding for schools and meal programs, roads and bridges, hospitals and fire departments, and much more for the next ten years? As of August 3, 2020, the [Census Bureau](https://www.census.gov) reported the response rate in **Richmond Heights as 63.9%** and the overall **Ohio response rate of 67.3%**. You can submit your confidential answers online at my2020census.gov, by calling 844-330-2020. If you live in an apartment complex, your landlord does NOT fill out a census form for you, so make sure you are counted. You count and your community counts!
