WE WANT TO HEAR FROM YOU!

RICHMOND HEIGHTS POOL SURVEY

SHARE YOUR THOUGHTS AND OPINIONS ON WHAT SHOULD BE DONE WITH THE RICHMOND HEIGHTS POOL.

Pictured below clockwise from top left: (1) Pool building which houses changing areas, restrooms, and concessions was built in the mid-1980s; (2) Pool lap lanes and pump house-currently pool's side walls are bowing, cracking, and leaking beyond repair, the pool pump also needs major repairs to be operational; (3) Pool records sign, the last records to be broken were in 2011- over 10 years ago; (4) Children's Spray Ground installed in the mid-late 2000's.
