## **A Message from Mayor Daniel J. Ursu**

As mentioned in the previous 'City Edition' the Cultural Commission Neighborhood Coffees will be underway during the coming months. Thanks to all of those who have stepped forward to volunteer their homes to help further build a spirit of community in Richmond Heights. Also, see on page three in this issue information on the Second Annual Cultural Commission Book Review Night to be held Wednesday, February 13, 2008 at Faith United Church just north of Richmond Town Square Mall on Richmond Road. The book to be reviewed this year is *Beloved* by Toni Morrison. Thanks to Reverend Gene McAfee and Faith United for hosting this event once again this year – the invigorating discussion will be sure to put a spark in your February.

It was a great year for our Recreation Department with the opening of the new 'SprayGround' at our City Pool on top of the many programs and special events throughout the year – culminating this past December with the 'Holiday Walk in the Park' and 'Breakfast with Santa.' New for the upcoming year as spotlighted on page five of this issue are exercise classes to be held at the Kiwanis Lodge entitled '20 Hours of Power' beginning in January. For all of you who made New Year's resolutions to attain better physical health, this is an ideal opportunity to fulfill your promise to yourself in conjunction with the Richmond Heights Recreation Department!

Lastly, this is a reminder that the City of Richmond Heights obtained, in large part through a county grant in 2007, a modestly sized bus to be used for Senior and Disabled transportation. City officials recognize that rising costs often impact Seniors on fixed incomes most acutely; therefore, this is a good opportunity for older residents to help defray transportation costs to points in Richmond Heights. Contact our Recreation Department to take advantage of this great new service for our Seniors and Disabled. You must be preregistered and a modest ticket price applies. The bus is wheelchair accessible. Also for Seniors, see the information on page six on the 'Home Energy Assistance Program (HEAP).' If you are not already availing yourself of this program, you can reduce your energy costs this winter by registering for this program.

Happy New Year 2008!

## LOST PETS IN RICHMOND HEIGHTS

When you lose your dog or cat, what do you do? After some time in searching, do you give up; call the local pounds, put out ads? The first thing you should be doing is to call the Richmond Heights Police Department and leave a description of your dog or cat with them. Lately, the City has been finding way too many lost dogs and cats, and since the City really has no kennel facility, we have been forced to send all the lost dogs and cats to an animal control facility, which only holds the dogs and cats for a few short days before they are either shipped to a local pound or disposed of.

The City has seen many fine animals being sent away to this animal control facility, not knowing if they have families in the City looking for them or not. There are many problems here that could be fixed if only more residents had knowledge of this issue. The first and foremost problem is, these animals do not have any collars with ID tags on them. If they did, the Police would be calling their families as soon as they were picked up. Please make sure your pets have collars with their ID and phone number on them! The City does not enjoy sending them to the animal control facility, but feels they do not have much choice in the matter.

Secondly, please check your fence, gate, and home for areas where your dog can escape. Many of these dogs have probably escaped from fenced in areas that were not securely enclosed. Dogs should not really be left alone all day outside in the yard, especially when you are not home. That seems to be the best time for dogs to find a time to escape, which is when they are bored, lonely, hungry and thirsty, and have lots of time to find an escape route in the fences or dig their way out.

Thirdly, please make sure all your pets are neutered and spayed. Many pets desire to escape because they want to get out and visit with dogs and cats of the opposite sex. If your animal is neutered or spayed, the urge will not be as strong for them to run away. For a list of low cost spay and neuter clinics in the area, please call the Cleveland Spay Neuter Clinic at (216) 398-1081, at 4239 Fulton Road in Cleveland.

So, if your pet is lost, who should you call? Call the Richmond Heights Police Department at (216) 486-1234.

## RICHMOND HEIGHTS KIWANIS CLUB

Richmond Heights Kiwanis Club was recently recognized by Kiwanis International for their 45 years of dedicated service to the community and to the world!

Kiwanis is a worldwide service organization of individuals who want to improve our communities. As a group, they achieve what we cannot do alone. In addition to working for the betterment of our community, they also share in plenty of fun and fellowship. Recent activities included a night at Northfield Park races, a cruise on the Goodtime III, the Captains Game, and a trip to Seneca Casino. Fundraising activities include: Family Day dunk tank, Mud Volleyball refreshments/parking, Golf Outing at Pine Ridge, and Kiwanis Scholarship Dinner and Card Parties.

The club was instrumental in building of the Kiwanis Lodge in the 1960's, and Senior Hall & American Legion Hall in the 1970's. They helped install bleachers at the school football field and built the split rail fence by the creek at the entrance of the Community Park. The recent project was assisting the Boy Scouts with the building of a storage shed for the Richmond Heights Swim Team. Over the years the Kiwanis has given over a hundred scholarships to graduating high school seniors who are residents of Richmond Heights.

They give yearly to local social service organizations such as Coats for Kids, Hunger Network, Salvation Army, Cleveland Sight Center, Rainbow Babies, Providence House and other charities.

The Kiwanis Club of Richmond Heights (open to men and women) meets for dinner at 6:00 pm every Thursday at the Kiwanis Lodge, in the back of Richmond Heights Community Park, at 27285 Highland Road. A free dinner is provided for all prospective members. (440) 442-9693.

## Flower Basket Program

Individuals and businesses can contribute to Richmond Heights beautification through the support of the Flower Basket Program. The City plans to purchase and install 36 baskets at the main intersections in Richmond Heights, City buildings and park locations. The Service Department will maintain the flower baskets through the summer months.

Suggested minimum support is \$100 for a business and \$50 for individuals. Baskets can be purchased "in honor of" or "in memory of" someone special. Please make checks payable to "City of Richmond Heights Flower Basket Program". Please mail to: Finance Director; City of Richmond Heights; 457 Richmond Road; Richmond Heights, Ohio 44143. Donations will be accepted throughout the year. Recognition will be made in the "City Edition" and for the calendar year on the website.

## NEIGHBORHOOD COFFEES STARTING SOON

Over the next several months, the Cultural Commission of Richmond Heights invites neighbors to come together in community, over coffee, to discuss issues of common interest & concern with respect to their neighborhood. A member of the Commission will be present to facilitate the conversation and share information regarding the City and important upcoming events.

To accomplish this, the Commission is seeking volunteers to host an informal evening coffee in their home. The coffees will be generally scheduled for an hour or two from 7:00 p.m. to 9:00 p.m. on Monday, Tuesday, Wednesday, or Thursday evenings.

**For those who have not yet signed up but would like to host a coffee, or if you would like more information, please call Mayor Ursu's office at (216) 486-2474.**
