### A MESSAGE FROM MAYOR DAVID H. ROCHE

As we enter the fall season, I would like to remind you that all ages are invited to the 8th annual Family Fall Fun Fest at the Farm, which will take place Saturday, September 17, from 12:00 p.m. to 6:00 p.m. at the historic Greenwood Farm, located at 264 Richmond Road in Richmond Heights. Come and enjoy music, food and much more. See Page 2 for more information.

Our City's 100-year anniversary is quickly approaching and will take place in 2017. Plans are presently underway for a continuous series of celebrations. We have a lot to be proud of, so stay tuned for announcements regarding our upcoming celebratory activities.

As a result of a grant awarded to the City by the Cuyahoga County Department of Development, the Cuyahoga County Planning Commission, City of Richmond Heights and community stakeholders have been engaged in developing a new Masterplan that will enhance both long and short-term goals. The Masterplan will focus on seven different geographical areas within the City, starting with a more robust use of our airport and its surrounding land. Another major area of focus is our retail landscape. As part of our planning, we will develop ways to encourage expansion of our area businesses. The City is developing a strategy through the Masterplan for how the community wants to progress and grow in the future.

The present tax configuration in the City of Richmond Heights gives residents who work in other cities a 100% income tax credit toward their City of Richmond Heights tax liability. With our existing structure, as neighboring municipalities increase their income tax rate, City of Richmond Heights' income tax revenues decrease. This reduced revenue has the potential to interfere with needed police and fire/EMS, service department offerings, infrastructural repairs, recreational programs and other City services. As such, it is critical that residents have a solid understanding of the effects of the City's current income tax policies, and the need to improve this tax structure to better match the City's funding needs. It is only with sufficient funding that we can proudly sustain a safe, healthy and vibrant community. Please See Page 3 for additional details.

I am looking forward to seeing you on Saturday, September 17, at the Family Fall Fun Fest!

## RICHMOND HEIGHTS TOTAL TAX OBLIGATION COMPARES FAVORABLY TO SURROUNDING CITIES

With regard to planning and looking ahead to the future, we have come to a critical milestone in keeping our community safe and strong. Recently, the Mayor recommended and City Council unanimously passed legislation to put a charter amendment on the ballot that would establish an income tax credit limit of 1.25%. This charter amendment would allow residents to support existing City services, while the City continues to receive less funding from the State of Ohio.

The proposed Charter amendment to alter the City's income tax credit limit would enable the City to continue providing necessary services to the residents of Richmond Heights. Currently, our City has a 2.25% tax rate, a 100% tax credit, and a 2.25% credit limit. (Note: The City does not tax interest, dividends, capital gains, pensions, social security or veteran benefits.) The draft ballot language proposed is: *Shall Article XII, Section 2, of the Charter of the City of Richmond Heights be amended to establish a credit limit on city income taxes paid by a city resident who pays income taxes to another municipality so as to provide for a credit limit of 100% of up to 1.25% of the total taxable income earned or attributable to another municipality of employment or business activity?*

So, why is the proposed Charter amendment beneficial for the community as a whole? First, making this change ensures that our City can maintain basic services—such as police, fire, EMS and recreational programming. If we don't make a change, our current tax base will decrease; therefore, we will not be able to maintain the current quality of City services. In other words, when other cities raise their taxes, our City's tax collections go down, which can have a profound impact on the City's services. For example, Cleveland is proposing changing their rate from 2% to 2.5% this fall. If that happens, our City loses about \$140,000 in tax collections. Residents will pay more to Cleveland, and Richmond Heights will lose all of that revenue.

During the past five years, our City has lost about \$800,000 in funding from the State of Ohio due to decreases in the Local Government Fund and phase out of both tangible personal property taxes and the inheritance tax. Passing the credit limit change will generate approximately \$1 million dollars in additional revenues for the City. This credit limit change will make up for lost revenues and enable us to maintain a safe, robust community.

## Welcome to the City of Richmond Heights Service Department!

Service Hours: 7:00 a.m. – 3:30 p.m.

Office Hours: 7:30 a.m. – 3:00 p.m.

Address: 26260 Chardonview Road

Phone: (216) 731-7014

**Leaf Collection:** The Service Department will start picking leaves up the third or fourth week in October. For residents' convenience, any scheduling changes will be posted on City Hall's message board. City staff could be injured and equipment could be damaged if sticks, rocks or any other materials are placed in with your leaves, so to ensure everyone's safety, please be careful to avoid these materials when raking. Please rake leaves as close to the street as possible, but do not put leaves in the street. The Service Department posts its daily route online during leaf season at: [www.richmondheightsohio.org](http://www.richmondheightsohio.org).

**Snow Season:** In regard to City plowing, main roads are given priority, followed by secondary, then side streets and cul-de-sacs. The City is not responsible for removal of snow thrown into any driveway by City snow plows.

Piles of snow in the road can create dangerous obstacles for motorists and the City snowplowing equipment, so residents and snowplowing contractors should avoid plowing, shoveling, or blowing any snow onto the road surface. If a person is reported placing snow in the roadway, he or she could be subject to a possible citation.

Residents should stress to their children to stay out of the path of snow being thrown off the plows, since there could be rocks or ice that could injure a child in its path. Also, children should **NOT** dig tunnels in the snow or build igloos near the roadway or roadside ditches.

Please be patient with our snowplow drivers when inclement conditions occur; it is our utmost goal to serve residents in a timely fashion, but inclement weather can delay service. Please, leave ample distance when driving behind a plow truck, as they have blind spots and may stop suddenly or back up.

**Rural Mailboxes:** Mailboxes should be kept in good condition so they can withstand being hit by the force of snow being thrown off plow trucks. Post mount boxes should be positioned 6-8 inches from the curb and approximately 42-46 inches high measured from the lawn to the top of the installed mailbox, not the top of the post. If the post has a vertical arm, the arm should not extend any closer than 6 inches from the curb. If a mailbox is damaged or the post is broken because of thrown snow or improper placement, the City is not responsible for repair or replacement. **The City only repairs or replaces a mailbox that has been hit directly by the snowplow equipment.** If the City does have to replace a mailbox post, the replacement post will not exceed 4'x4'. All mailboxes and posts that the City is responsible for replacing because of a direct hit from City plows will be replaced with a conventional box and wood post. Thank you for your cooperation and understanding, and may each resident have a safe and fun fall and winter!

### **SNOW PLOW PERMIT REQUIRED**

City ordinance 783.01 requires any person removing snow from private driveways or parking lots by means of a snow removal vehicle, to obtain a snow plow permit from the Police Department. The permit fee is \$10 per vehicle and is valid October 15 - April 15. A new permit is required each year. Persons are prohibited from depositing snow onto a roadway. Snow removed from any driveway or sidewalk must remain on the property the snow was removed from.

### **SNOW PARKING BAN**

Whenever snow accumulates in excess of 2 inches on City streets, a snow parking ban shall exist which prohibits vehicles from parking on any and all City streets. Vehicles found in violation will receive a citation and may be towed at the owner's expense.

We are looking to grow, so come alone—or better yet, bring a friend or neighbor who is also 50 years or older. Dues are a mere \$10 annually, and general meetings include a snack, in addition to entertainment or a live speaker. General meetings are held on the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of each month at 1:30 p.m. at the Kiwanis Lodge, located at 27285 Highland Road. ## RICHMOND HEIGHTS KIWANIS CLUB SEEKS NEW MEMBERS

With nearly 50 years in the making, the Richmond Heights Kiwanis Club is a place where you can grow, give back and aid in sustaining the local community. The club has a variety of short-, mid- and long-term visions for the future, but it needs more members to make these visions a reality.

"Most individuals want to give back, and as someone focused on giving, it makes you feel good to be part of a like-minded organization of people. The amount of satisfaction you get from accomplishing something that benefits the community is incredible," said Richmond Heights Kiwanis Club President Jerry Hoover. He added one of the Club's missions is to take the desires and needs of people who want to give back and give them an outlet to fulfill their passions. "This is a club in which you can really thrive," he explained.

The club is open to folks ages 21 and older—including both males and females—and members pay a small annual membership fee of \$110. General meetings are held each Thursday at the Lodge at 6:30 p.m. The group starts with a standard opening, and then members enjoy a delicious meal together (cost, \$8) before engaging in a general meeting format. At times, meetings include a special guest speaker. On occasion, the group engages in special entertainment, such as hosting clam bakes, organizing Valentine's Day, St. Patrick's Day and other holiday festivities, attending horse harness races, enjoying a Kiwanis Night at the Captains, and more. The Kiwanis Club annual Clam Bake will be held on Thursday, October 13. In addition, a Christmas party will be held in December.

"We're free to check out, so feel free to stop by our general meeting if you're new to the club. We'll even throw in a free guest meal. Simply give me a call at (216) 780-4087 to indicate you will be attending," Hoover said.

## GARDEN CLUB PROGRAMMING OFFERS SOCIAL, CIVIC OPPORTUNITIES

The Richmond Heights Garden Club programming is about to be in full swing, and Viola Scott, one of the founding members of the club, said the organization provides members with multiple opportunities to get socially and civically involved in the community. She became involved with the Garden Club in the late 1960s, when it was first originated. "It's an immensely social group of individuals who share a passion for gardening," Scott said.

While gardening can be hard work, it is certainly worthwhile and enjoyable, Scott explained. She has enjoyed planting flowers at the Kiwanis Lodge, Community Park and at her personal residence. At times, members make their personal gardens available for open viewing to other members, so that they can see each other's creations. "We're a tightknit group of old and new friends that is always looking to grow," Scott stated.

The Richmond Heights Garden Club is entering its 48th year. Re-elected officers for the coming 2016-2017 year are: President, Aire Roche; Vice President, Myrna Yeager; Recording Secretary, Susan Myers; Corresponding Secretary, Eleanor Riznar; and Treasurer, Dolores Sciaulino.

The Garden Club meets on the third Thursday of the month from September through December and February through June at the Kiwanis Lodge, 27285 Highland Road, located at the rear of the Richmond Heights Community Park. Annual dues, set at just \$10, are kept low to ensure all interested individuals can participate.

If you are interested in joining the Garden Club or for more information, please contact Dolores Sciaulino at (216) 382-7866. The September meeting will be a meet-and-greet format at the Richmond Heights Kiwanis Lodge.
