**DID YOU KNOW?**

1. In 1828, Euclid Township created 11 school districts. The Chardon-Richmond Road School served as District No. 6, and Highland-Richmond Road School served as District No. 9.
2. In 1858, the Euclid Township Trustees purchased two acres of land on the northeast corner of Highland and Richmond Road for \$120. Soon after, they built a one-room brick school called the Richmond Settlement School. It was condemned in 1897, and in 1899, they built a second one-room brick building called Maple Grove, and more often referred to as the Claribel School.
3. The first graduating class of Richmond Heights High School contained 67 youths, who were graduated June 3, 1964.

**A Message from Mayor David H. Roche**

We are proud to celebrate 100 years of vibrant history in Richmond Heights. 2017 will be marked by numerous Centennial activities, from our annual Summer Concert Series and Fall Fun Fest at the Farm, to a Pool Bash/Concert event.

City Council recently approved our budget for fiscal year 2017. One of the most notable parts of the 2017 budget is reducing our short-term debt by \$1,190,000. This year we are hiring two new police officers and replacing two well-utilized police vehicles, as well as purchasing a new ambulance, stretcher, and new financial and payroll software to replace outdated systems. Other highlights include Centennial Celebration festivities, new recreation programs, and the YMCA's return to safely operate the City pool.

Our Master Plan (made possible through grant funding and collaboration with the Cuyahoga County Planning Commission) is nearly complete and explores the City's existing demographics—including our neighborhoods, housing, environment, transportation networks and infrastructure—as well as our image, business districts, employment and economic development outlook. This plan will help shape the future of Richmond Heights over upcoming years. The final Master Plan Public Meetings will be held on Thursday, May 25, at the Kiwanis Lodge at 3:00 p.m. and 7:00 p.m. Development of this plan has been made possible through a multitude of public hearings held throughout the course of the last 12 months, which involved input from residents, the Richmond Heights Steering Committee and the City Project Committee.

Many of our annual events will be expanded during our Centennial Celebration, with the addition of special 2017 Centennial activities. Additionally, there will be nearly 50 concerts through the Hillcrest Summer Concert Series. We encourage increased participation by all ages. Be sure to visit our website at [richmondheightsohio.org](http://richmondheightsohio.org) for more details, and see Pages 2 and 8 of your *City Edition* for activity dates and times. Also, stay informed by subscribing to our e-newsletter, which currently has over 1,000 subscribers. I look forward to seeing you soon at our upcoming activities. Have a safe and event-filled summer!

## COUNCIL CHAMBERS RENAMED TO HONOR LONGEST-SERVING COUNCILWOMAN

Marcia Starkey Morgan served the City for 42 years before retiring in 2015. On January 23, 2017, the City honored her service by renaming Council Chambers "The Marcia Starkey Morgan Council Chambers."

Marcia served the residents of Ward 1, and her dedication made her the longest-serving councilwoman in the City's history—and one of the longest serving in the country. Marcia first took office as councilwoman in 1974. She served until 1981, when she became the first woman in the city to run for mayor. She lost that election, but from 1982-1983, she continued in her service by acting as Council Clerk. Afterward, she was reelected to council in 1984.

A special ceremony was held for the Council Chambers dedication and was a surprise to Marcia; she was under the impression that the ceremony was instead related to the City's Centennial Celebration. When Mayor David H. Roche unveiled the Chamber's new emblem, which was hidden by a large piece of paper, Marcia was flabbergasted. "There are so many wonderful people on council. They're all deserving of this honor," she said.

Marcia said her longstanding service was fueled by her love for the City. Her husband, John, served on council from 1963-1973 and was in office when he passed away. "The mayor at that time appointed someone else to be Ward 1 councilperson. After he fulfilled my husband's term, I decided to run," Marcia said, explaining that she wanted to be involved. She was the first woman to run for a seat on council, at a time when women were not encouraged to run for office. However, she refused to accept the status quo or quit in the face of adversity.

Marcia describes her days as councilwoman as "extremely interesting." She enjoyed meeting people and said her role in the City made her realize how compassionate people are. "It was an experience unlike that of most jobs. I really got to know people in the neighborhood from all different walks of life. It was a fantastic, enjoyable learning experience."

When asked what she is most proud of, Marcia said she is glad that she was able to work with council in cleaning up the appearance of the corner of Chardon and Richmond Roads. She is pleased with the work that continues in that area. She also established the *City Edition* newsletter in 1990 and served as its editor until 2001.

Marcia has been a resident of Richmond Heights since 1958 and is still an active member of the community. While she misses her days as a councilwoman, she is enjoying her retirement. "I'm looking forward to coming to City Hall and seeing my name," she joked. "It's a true honor."

## POLICE PERSONNEL

Sgt. Denise DeBiase was one of 28 officers from around the state who were honored for their accomplishment in completing the 14-month Certified Law Enforcement Executive (CLEE) Program in February at the Ohio State Highway Patrol Academy. Sgt. DeBiase was selected for the program by meeting standards in experience, formal and continuing education, as well as other professional related experience. For more than a year she received instruction in eight learning modules, addressing ethics; change management; interpersonal skills; vision, mission and guiding principles; strategic planning; external environmental management; organizational risk management and resource allocation and budgeting. Sgt. DeBiase is to be commended for her efforts and unselfish sacrifice committing to this endeavor and achievement.

## VEHICLE PARKING

A common complaint in our neighborhoods is the parking of vehicles on lawns or other grassy areas. City Ordinance prohibits the parking of vehicles on any surface that is "not improved for vehicle use." [Ord. 351.03(19)] Any area improved for vehicle use is a surface that is either asphalt or concrete and complies with City Building Code Ordinances.

Another common parking complaint concerns vehicles that are out of repair, inoperable or unlicensed and parked in driveways. If a vehicle cannot be driven, because it is out of repair mechanically, has flats tires, or does not have current license plates, it cannot be parked on private property-UNLESS it is enclosed in a garage (Ord. 346.01 & 351.16).

## POLICE DEPARTMENT RECEIVES CERTIFICATION

The Police Department received the Ohio Collaborative Law Enforcement Agency Certification for compliance with the current standards established by the Ohio Collaborative Community-Police Advisory Board. Additional standards have been recommended by the board for 2017. Participation in the Law Enforcement Certification process is voluntary for Ohio law enforcement agencies.

## CRIME AND SAFETY

The City of Richmond Heights has not been spared from the effects of the current opiate overdose epidemic. The police and fire department have responded to several overdoses the past two years, with some unfortunately being fatal. The safety forces are equipped with Narcan, an overdose antidote that can save victims if too much time has not passed since the overdose. Prevention, however, is the key to addressing what has become a serious social problem.

Residents are encouraged to be vigilant and to look out for one another. The most common crimes in our City are related to crimes of opportunity, which can be prevented by residents. Crimes of opportunity involve incidents where criminals take advantage of persons who leave possessions unsecured by leaving vehicles parked outside unlocked, or leave valuables in their vehicles that are visible to thieves. They also include situations where residents leave their homes unlocked.

As the department continues to recover from layoffs from 2009, we hope to revitalize some of our community efforts, such as neighborhood watch, bike patrol and attending community group meetings upon request. We are also looking to establish neighborhood initiatives focused on quality of life issues, addressing issues such as abandoned and disabled vehicles; dumping and littering; and illegal parking on unimproved surfaces, which negatively impact the appearance and value of property.

## CITY OF RICHMOND HEIGHTS AUXILIARY POLICE LOOKING FOR VOLUNTEERS TO HELP PROTECT AND SERVE

Auxiliary officers directly impact our community. Most often it is through patrolling the City streets for a four-hour shift and being a good observer. Other times, it may be directing traffic due to an accident, flooding, or assisting other officers. Auxiliary officers do not carry firearms, are not expected to make arrests, and do not respond to most calls. Other than for emergencies, the scheduling is very flexible and can accommodate most lifestyles. Previous related experience or exceptional physical strength are not necessary.

Requirements for applicants include: At least 21 years old, a "clean" criminal background, volunteering a minimum of 12 hours per month, and a dedication to serving the community. Training for new applicants consists of a total of 24 hours, which is spread out over six training sessions. All uniforms and equipment are provided to you from the department at no cost. For more information or to sign up, contact the non-emergency Police Department line at (216) 486-1234.

## RECREATION IS LOOKING FOR VOLUNTEERS

The Richmond Heights Recreation Department is searching for volunteers to help with Recreation events. If you visit the park frequently or want to lend a helping hand, please call Recreation at (216) 383-6313.

## LIMB PICKUP INFORMATION

The City's chipper for large branches goes out each Wednesday and follows the Richmond Heights recycling schedule pattern: South of Highland Road, 1st and 3rd week of the month; north of Highland Road, 2nd and 4th week of the month.

The City does not pick up shrubbery with roots, and branches must be placed on the tree lawn for pickup. When you wish to have the City pick up your limbs, please ensure each limb is stacked in a neat pile on your tree lawn, with the heavy end/larger diameter of all limbs pointing down the street. Large, wide limbs should be cut into narrower sections, so that they will fit through the mouth of the chipper. The City can chip anything that is approximately  $\frac{1}{2}$  inch to  $3 \frac{1}{2}$  inches in diameter.

Anything that is greater than  $3 \frac{1}{2}$  inches in diameter should be cut in 15" lengths and can be used for firewood. All small twigs and branches that are less than  $\frac{1}{2}$  of an inch in diameter should be bundled or bagged and put out for Waste Management.

## "THAT 70'S CONCERT" DEBUTING AT MIDDLE SCHOOL MAY 11

Richmond Heights Local School District will showcase its spring concert on Thursday, May 11, at 7:00 p.m. at the Richmond Heights Middle School. Entitled, "That 70's Concert," the event will feature students in Grades 3-6. All are welcome to attend.

## SUMMER CAMPS

This year, the Richmond Heights Local Schools will host five summer camps, including a Techie, Basketball, Flag Football, Art, and Dance Camp. For more information, contact the Board of Education at (216) 692-0086.

## IMPORTANT TRASH DETAILS FOR GARBAGE PICKUP

If you have a special bulk item pickup request or missed trash pickup, please contact the City's Service Department at (216) 731-7014, and they will be happy to assist you or contact Waste Management at 1 (866) 797-9018.

All trash **must** be out by 7:30 a.m. Please be aware of the fact that sometimes Waste Management changes their routes, or they have a new driver, and this could change the time of day your trash is picked up. There are numerous times residents call because of missing their trash pickup since the truck came earlier than normal. That is why 7:30 a.m. is the time to have garbage outside. **REMINDER:** There is **NO** leaf pickup in the spring. Please bag your leaves and put them out with your trash.

## RECYCLING AND TRASH DISPOSAL INFORMATION

The recycling pickup schedule is: South of Highland Road the 1<sup>st</sup> & 3<sup>rd</sup> Mondays of the month; and North of Highland Road the 2<sup>nd</sup> & 4<sup>th</sup> Mondays. If there is a 5<sup>th</sup> Monday in the month, there is **NO** pickup. If a holiday falls on a Monday, the recycling or trash will be picked up on the next day. The schedule of holidays is on the City of Richmond Heights website, or you can call the Service Department at (216) 731-7014.

You can co-mingle all of the recycling into one bag. (Plastic, cans, glass, and cartons, like cereal boxes, and frozen dinner boxes etc.) Cardboard and paper still need to be brought to the paper bin at the Service Garage.

You must roll, tie and cut carpet into 4-ft. lengths and then place it with your trash for pickup.

## RICHMOND HEIGHTS KIWANIS CLUB TO OFFER VARIETY OF PROGRAMMING

Programming for the Richmond Heights Kiwanis Club is in full swing, and Kiwanis Club President Jerry Hoover said now is a great time to get involved.

Saturday, July 29, the Kiwanis Club Car Show will take place from 4 p.m. to 9 p.m. at Greenwood Farm. Spectator admission is free. There is a \$10 per car pre-registration fee or \$12 at the door. Last year, the show included 53 cars on display, and this year, the club expects to have over 100. "Last year was our first year. We had a lot of compliments and expect to have most people returning, with the addition of many new exhibitors," Hoover said. This year's event will have more foods to choose from when compared to last year, all of which will be available for a nominal fee. Examples of foods being offered include hot dogs and hamburgers, tacos, ice cream, popcorn and snow cones.

"We are also going to be bringing in a few things for the City's Centennial Celebration. We are hoping for at least one car from that era—or maybe even more. As cars enter the show, we are going to take photos. We have a really great day planned with trophies and good times," Hoover said. There will also be lots of prizes, more trophies than last year and live DJ music from DJ Jammin' Joel.

Wednesday, August 23, marks the 41<sup>st</sup> annual Kiwanis Golf Outing at Pine Ridge Country Club in Wickliffe. The cost is \$85 per golfer for the day, which includes dinner. For those who want to come for dinner only, the cost is \$20. "The golf outing and car show are our biggest fundraisers for the year. All of the money from what we do goes back into the community in the form of scholarships and other projects we do for the kids of Richmond Heights," Hoover said.

The Kiwanis Club is currently running a Harvest for Hunger campaign. Also, members are engaging in work at the Greater Cleveland Food Bank packing food. Other plans for 2017 include selling root beer floats at the July 12 summer concert in Richmond Heights, in addition to organizing a picnic and going to a Captains game. The club is also planning to form bocce league teams.

The Richmond Heights Kiwanis Club is open to folks ages 21 and older—including both males and females. General meetings are held each Thursday at the Lodge at 6:30 p.m. The group starts with a standard opening, and then members enjoy a delicious meal together before engaging in a general meeting. The Kiwanis Club is free to check out, and members of the public are welcome to join a general meeting to explore what the club is about. "We'll even throw in a free guest meal. Simply give me a call at (216) 780-4087 to indicate you will be attending," Hoover said.
