

## THE CITY OF RICHMOND HEIGHTS

Anthony Gimellia, Editor

**The CITY EDITION****DID YOU KNOW?**

1. In 1925, the County Board tried to merge Richmond Heights into the South-Euclid Lyndhurst School District, but this matter was taken to court, and the Richmond Heights Local Schools remained independent.
2. In the fall of 1950, the Richmond Heights Parent-Teacher Association was organized.
3. The 1960 census demonstrated that Richmond Heights had more than 5,000 residents, enabling it to become the City of Richmond Heights. This same census made us the fastest growing community in the state of Ohio, from 891 residents in 1950 to 5,068 residents in 1960. This was a 468% increase in the Richmond Heights population.

**A MESSAGE FROM MAYOR DAVID H. ROCHE**

Our 2017 Centennial Celebration is well underway. From a series of five Richmond Heights Centennial concerts to our “Junk in the Trunk” Community Garage Sale and National Night Out police-community awareness event, we’ve had an entertaining, widespread celebration that has helped our community come closer together. The fun is not over yet, so be sure to watch for more activities this year—including our biggest event for 2017—Our Fall Fun Fest at the Farm and 5K Run/Walk, scheduled for Saturday, September 16, at Greenwood Farm. See Page 2 for details.

Recently, I gave Oaths of Office to two new police officers and one new firefighter. We are now up to 22 full-time officers and 1 part-time officer. Our new firefighter replaces a previous staff member, keeping us at a staff of 18 full-time firefighters/EMS. See Page 5 for a photo and more details about our new team members.

Thanks to a regional collaboration, prisoners are now housed at the County Jail, which has successfully relieved the Richmond Heights patrol division from duties that are necessary when housing prisoners. Now, our force has more time for patrolling activities and community policing. We are also working toward joining the Heights-Hillcrest Communications Center, which will provide regional dispatch services for fire/police/EMS.

Our Master Plan process is complete and was made possible through grant funding and collaboration with the Cuyahoga County Planning Commission. The plan explores the City’s existing demographics—including our neighborhoods, housing, environment, transportation networks and infrastructure—as well as our image, business districts, employment and economic development outlook. Development of the plan began in June 2016, and the final Master Plan will be posted to our website in the near future.

I look forward to seeing you at our Fall Fun Fest and 5K Run/Walk, where everyone is invited to come together and celebrate our Centennial together. It’s an event designed for the whole family, and one you won’t want to miss!

## DIVISION OF FIRE OFFERS FREE CPR COURSE TO RESIDENTS

The Division of Fire in partnership with University Hospitals Richmond Medical Center offers bi-monthly CPR courses to residents of Richmond Heights. The Heartsaver® CPR AED Course is a classroom, video-based, instructor-led course that teaches adult CPR and AED use, as well as how to relieve a choking victim. The next course will be held at the Richmond Heights fire station in September. The date and time for the September class are to be determined. The class size is limited to 12 students per class, and classes are FREE to residents of Richmond Heights. This course is for the general public; it is not the Healthcare Provider Course. Participants must be at least 16 years old to attend. Call Chief Neumann at (216) 383-6304 for information about upcoming classes.

## POLICE DEPARTMENT PERSONNEL

Chief Rowe welcomed two new police officers who were sworn in at the June 27 Council Meeting in front of friends and family. The new Officers are Ptl. Marlonn Webb and Ptl. Deann Frazier. Both officers have prior law enforcement experience and though working for other agencies, took our police exam and wanted to work in Richmond Heights. Wishing them both well for a long and successful career.

## REGIONALIZATION/COLLABORATION

The City recently signed an agreement with the Euclid Annex of the Cuyahoga County Jail for the housing of persons arrested by our department. The move was designed to free police officers from duties in the jail and provide them with more time to be patrolling the community. In addition, the Police Department continues to explore the possibility of consolidating our dispatch center with a regional center. Discussions are currently underway with a new regional center, the Heights-Hillcrest Communications Center, which currently includes the cities of Cleveland Heights, South Euclid, University Heights and Shaker Heights.

## TWO NEW POLICE VEHICLES PURCHASED

The Police Department purchased two new vehicles, enabling the department to retire two vehicles with over 100,000 miles. The two new vehicles are 2017 Ford Police Interceptor SUVs, which have proven to be excellent vehicles for the department, especially in the winter months.

## NEW AMBULANCE TO BEGIN SERVING THE COMMUNITY

In August the Division of Fire will take delivery of a new Type I ambulance. The new ambulance (Squad 742) will replace an older unit which has served the community for over thirteen years. New Squad 742 will facilitate the safe, effective response of our firefighter paramedics to the scenes of emergency medical and public safety incidents for many years to come. A significant amount of the unit's features were designed by our city's firefighter paramedics. 100% of the funding for the new ambulance originated from the proceeds of ambulance transport billing. Acquisition of the new ambulance for our community was made possible because of the support and guidance of Mayor and Council.

## FIRE RECEIVES GRANT FOR TRAINING AND EQUIPMENT

The Division of Fire has been awarded a \$4,050 grant to help pay for EMS training and equipment. The funding comes from the Ohio Department of Public Safety Emergency Medical Services. Grant recipients were announced in late June. Fire Chief Neumann reported that this year's grant award is the most the Division of Fire has received from the Department of Public Safety Emergency Medical Services. Last year, the Division received \$2,750.

## SERVICE DEPARTMENT NOTES

**Office Hours: 7:30 a.m. – 3:00 p.m. Monday – Friday**  
**Phone: (216) 731-7014**

**Leaf Season:** Some quick reminders: the Service Department will start picking up leaves the 3<sup>rd</sup> or 4<sup>th</sup> week in October. This will depend on "Mother Nature," how quickly the leaves start falling. Once we start picking up leaves, we will not be chipping branches until we are done picking up leaves.

Please do not put sticks, rocks or any other materials in with your leaves; our men could be injured and equipment could be damaged.

Rake leaves as close to the street as possible but do not put the leaves in the street. The Service Department will not make special pick-ups for leaves, we have to stick to the route that we are on. We do a continuous loop of the city. You can go on line to [www.richmondheightsohio.org](http://www.richmondheightsohio.org) to see what streets we have been on daily during leaf season.

\*\*\*During leaf season and throughout the year, you can bundle your branches in four foot lengths, tie them and put them out with your trash. This would be especially helpful if you only have a few branches (twigs). Or you can put them in a brown bag made for yard waste or a trash can. \*\*\*

**Please Note:** All trash must be out by 7:30 a.m. Monday morning, or the evening before pickup, but not before sundown. This is per Ordinance 951.04.

**Rural Mailboxes...Now would be the time to think about your rural mailbox.** The weather is nice enough to take a look at it and make sure it is in good condition. Make sure the post is stable and not loose, and the mailbox is attached securely to the post, so it can withstand being hit by the force of the snow being thrown off the plow trucks. If a mailbox is damaged or the post broken because of thrown snow, the City will not repair or replace it.

Post mount boxes should be positioned 6-8 inches from the curb and approximately 42-46 inches high measured from the lawn to the top of the installed mailbox, not the top of the post. If the post has a vertical arm, the arm should not extend any closer than 6 inches from the curb. If a mailbox is damaged or the post is broken because of thrown snow or improper placement, the City is not responsible for repair or replacement. **The City only repairs or replaces a mailbox that has been hit directly by the snowplow equipment.** If the City does have to replace a mailbox post, it will be done with a post that is no larger than a 4"x4". All mailboxes and posts that we do have to replace because of a direct hit from our plows will be replaced with a conventional box and wood post only.

## RICHMOND HEIGHTS KIWANIS CLUB NEWS

The Richmond Heights Kiwanis Club is a place where you can help sustain the local community, with a special focus on supporting youths.

Richmond Heights Kiwanis Club President Jerry Hoover said members continue planning activities for the City's 2017 Centennial Celebration. This year, the Kiwanis Club is also celebrating an anniversary, with 55 years in the making. "We are the longest, continuously running service organization in Richmond Heights," Hoover said. "We are youth-focused. Our whole organization is designed to support children," he added.

The club is open to folks ages 21 and older—including both males and females—and members pay a small annual membership fee of \$110. General meetings are held each Thursday at the Lodge at 6:30 p.m. The group starts with a standard opening, and then members enjoy a delicious meal together (cost, \$8) before engaging in a general meeting format. At times, meetings include a special guest speaker. On occasion, the group engages in special entertainment, such as hosting clam bakes, organizing Valentine's Day, St. Patrick's Day and other holiday festivities, attending horse harness races, enjoying a Kiwanis Night at the Captains, and more.

The Kiwanis Club is free to check out, and members of the public are welcome to join a general meeting to explore what the club is about. "We'll even throw in a free guest meal. Simply give me a call at (216) 780-4087 to indicate you will be attending," Hoover said. Also, be sure to look up #KidsNeedKiwanis on Twitter for more information on how Kiwanis members nationwide are supporting youths.

## GARDEN CLUB NEWS

The Richmond Heights Garden Club meets on the third Thursday of the month at the Kiwanis Lodge, 27285 Highland Road, located at the rear of the Richmond Heights Community Park.
