## Mow Your Lawn So We Don't Have To

Spring is here and it is grass cutting season again! Please make sure to cut your grass weekly to AVOID a Tall Grass Assessment. Keeping your lawn cut helps to show pride in our homes and our city!

## Spring Yard Clean-up

The City's chipper loops through the city on the 2nd and 4th weeks of the month. When you wish to have the City pick up your limbs, please ensure each limb is stacked in a neat pile on your tree lawn, with the heavy end/larger diameter of all limbs pointing down the street. Large, wide limbs should be cut into narrower sections, so that they will fit through the mouth of the chipper. The City can chip anything that is approximately  $\frac{1}{2}$  inch to  $3\frac{1}{2}$  inches in diameter. Anything that is greater than  $3\frac{1}{2}$  inches in diameter should be cut in 15" lengths and can be used for firewood. If you bag your leaves, [Waste Management](#) will pick them up.
