## MAYOR'S MESSAGE

### **Richmond Heights Mayor David H. Roche**

Welcome to our e-newsletter publication. Did you know the City of Richmond Heights has a Community Mediation & Conflict Resolution Service? We are recruiting new members, ages 18 and above, to participate in a training to be a part of this team. Mediation allows individuals, families, neighbors, and businesses to resolve disputes privately, quickly, and fairly, while deciding for themselves what is a fair solution to the problem. The service is FREE and offered by trained community members. If you are interested in being trained and being a part of this team, please contact Anthony Gimellia at 216-486-2979. From all of us to you and your family, have a safe and happy Labor Day weekend.

## **DROP OFF CANS TO BENEFIT BURNED CHILDREN**

The Richmond Heights Division of Fire is proud to participate in the ***Aluminum Cans for Burned Children program***. The proceeds are used for fire safety education, a summer & winter camp for burn survivors and to buy non-medical items not covered by health insurance to aid in the healing process. The program is sponsored by MetroHealth Medical Center of Cleveland and fire departments throughout Northeast Ohio. The ***ACBC program*** also provides two (2) Fire Safety Houses to elementary schools & community home days promoting fire safety in the home. Operated by firefighters, the houses are 28-foot trailers built to resemble two-story homes. Over 3,000 Northeast Ohio school children tour the Fire Safety Houses monthly. The goal of ***ACBC*** is to educate young children about the dangers of fire, how to call 9-1-1 in the event of an emergency & what to do if there is a fire in their home. The drop off points for ***ACBC*** in the City of Richmond Heights are the fire station and the police station.
