## Aluminum Cans for Burned Children Program (ACBC)

RHFD is proud to participate in the Aluminum Cans for Burned Children (ACBC). Through ACBC, aluminum beverage cans are collected, recycled and the proceeds are used for safety education, a summer and winter camp for burn survivors and to buy non-medical items not covered by health insurance to aid in the healing process. 28 beverage cans = 1 pound of aluminum. Drop off points for ACBC in the City are located inside both the fire station and police station. Visit <http://www.acbcohio.org/about/> for more in-depth details.

## Do Not Feed Wild Animals

The RH Service & Recreation Committee of Council are currently discussing and working hard to find a resolution for the increased wildlife population. One thing we can all do to help is to refrain from feeding deer, coyotes and other wildlife; Not only out of respect for your neighborhood but because it is against the law! [\(505.21 FEEDING OF NUISANCE ANIMALS PROHIBITED; EXEMPTIONS; SECURE OUTDOOR STORAGE OF REFUSE OR WASTE\)](#). We truly appreciate your attention to and cooperation in this matter.
