Exhibit B
Policy: No Shows or Late Cancellations

Purpose

To assure that the transit service is operating in the most efficient manner by correcting the action of habitual abusers during vehicle scheduling, and that no-show Passengers are located and safe.

Policy

Passengers are expected to be ready for transportation at the beginning of the 20-minute pickup window. This is usually 10 minutes before or after scheduled pickup time. Due to the uncertainty of scheduling, Passengers must remain available for pickup for the entire 20-minute period. It is important to remember that the STC vehicle is required to wait only 5 minutes for a Passenger when arriving within the 20-minute pickup window. If a driver is unable to arrive during the established pick-up window, the driver must contact Dispatch. Dispatch will contact the Passenger with a revised pick-up time.

A Passenger who is either not available, not ready, or refuses to take a scheduled trip within five (5) minutes of the driver's arrival time, will be considered a "no-show" for that trip. The driver will make reasonable attempts to contact the Passenger. Once the driver has determined the Passenger to be a "no-show", the driver will contact Dispatch. Dispatch will document the no-show using the scheduling software.

STC recognizes there may be occasions when a scheduled trip needs to be canceled. However, it is important that Passengers notify STC before 7:00 am of the scheduled day of service by calling 216-265-1489. This may allow STC to reroute the assigned vehicle to provide service to another STC Passenger. If a Passenger fails to call before 7:00 am the day of service, the Recipient will be charged the "no show" rate.

Recipient agrees to manage a warning and suspension process in a manner acceptable to the Contractor.

The scheduling window that exists on either side of a reservation is 10 minutes prior to and after a requested time. All reasonable attempts are made to be on time; however, service delays may occur due to weather, traffic, accidents and Passenger behavior.

Exhibit C
Policy: Holidays

The Contractor recognizes 9 holidays when the offices and operations are closed:

New Year's Day
Martin Luther King Day
Presidents Day
Memorial Day
Juneteenth
Independence Day
Labor Day
Thanksgiving Day
Christmas Day

If any of the above holidays fall on a Saturday, the preceding Friday shall be celebrated as the holiday. If a holiday falls on a Sunday, the succeeding Monday shall be celebrated as the holiday.

Exhibit D
Policy: Inclement Weather

Purpose

The purpose of this policy is to establish procedures to close or cease operations of the Call Center and transportation services due to hazardous weather conditions and/or local emergency and provide continuity of essential operations during inclement weather.

Contractor Responsibilities:

The Executive Director is responsible for determining if transportation services can safely be provided. The STC may consult with local community's law enforcement and safety departments to determine when and if transportation services need to be suspended.

If the decision is made to close the call center and/or cease operations the STC will contact the community representative and inform them of closing. In addition, the STC will contact all riders scheduled for that day and advise them of trip cancellations. Reasonable efforts will be made to schedule the rider on another day.

All trips that are cancelled due to inclement weather will be recorded as cancelled trips due to inclement weather conditions.

All STC management staff will be required to contact the STC Executive Director once the affected providers and customers are contacted.

Recipient Responsibilities:

The Recipient shall notify STC at 216-265-1489 if a decision is made to close either City Services, the local Senior Center, or the Recipient's specific programming, due to inclement weather.
