Section 6: That this Council determines that the Project's elements are so situated in relation to each other that in order to complete the Project's elements in the most practical and economical manner, they should be acquired, installed, equipped, and improved at the same time, with the same kind of materials, and in the same manner; and that the Project's elements shall be treated as a single improvement, pursuant to Ohio Revised Code Section 727.09, and the Project's elements shall be treated as a joint improvement to be undertaken cooperatively by the City and the District pursuant to Ohio Revised Code Section 9.482 and Ohio Revised Code Chapter 1710.

Section 7: That the plans and specifications and total cost of the Project now on file in the office of the Clerk of Council are approved, subject to changes as permitted by Ohio Revised Code Chapter 727. The Project shall be made in accordance with the plans, specifications, profiles, and estimate of costs for the Project.

Section 8: That this Council determines and declares that the Project is an essential and vital public, governmental purpose of the City as a Special Energy Improvement Project, as defined in Ohio Revised Code Section 1710.01(I); and that in order to fulfill that essential and vital public purpose of the City, it is necessary and proper to provide, in cooperation with the District, for the acquisition, installation, equipment, and improvement of the Project in the manner contemplated by the Petition. This Council determines and declares that the Project is conducive to the public peace, health, safety and welfare of the City and the inhabitants of the City.

Section 9: That pursuant to and subject to the provisions of a valid Petition signed by the owner of one hundred percent (100%) of the Project Site, the entire cost of the Project shall be paid by the Special Assessments levied against the Project Site, which is the benefited property. The provisions of the Petition are ratified, adopted, approved and incorporated into this Resolution as if set forth in full in this Resolution. The portion of the costs of the Project allocable to the City will be zero percent (0%). The City does not intend to issue securities in anticipation of the levy or the collection of the Special Assessments.

Section 10: That the method of levying the Special Assessments shall be in proportion to the benefits received, allocated among the parcels constituting the Project Site as set forth in the Petition.

Section 11: That the lots or parcels of land to be assessed for the Project shall be the Project Site, described in Exhibit A to the Petition, all of which lots and lands are determined to be specially benefited by the Project.

Section 12: That the Special Assessments shall be levied and paid in forty (40) semi-annual installments pursuant to the list of estimated Special Assessments set forth in the Petition (which list is incorporated herein by reference), and the Owner has waived its option to pay the Special Assessment in cash within thirty (30) days after the first publication of the notice of the assessing resolution or ordinance. The maximum aggregate amount of Special Assessments estimated to be necessary to pay the costs of the Project is \$5,612,120.00. Each semi-annual Special Assessment payment represents payment of a portion of the principal of and an assumed maximum rate of interest on obligations issued or incurred to pay the costs of the Project and of administrative expenses. As requested in the Petition, the final aggregate amount of the Special Assessments may be in an amount less than the aggregate amount of \$5,612,120.00 if the final rate of interest for the financing for the Project is less than the assumed maximum rate of interest. If the rate of interest is less than the assumed maximum rate of interest such that the aggregate amount of Special Assessments necessary to repay the financing for the Project is less than the aggregate amount of \$5,612,120.00, the Owner and the provider of the financing shall certify a final schedule of Special Assessments to the City, which final schedule shall be certified to the County Fiscal Officer of Cuyahoga County, Ohio for collection. The maximum interest portion of the Special Assessments, together with amounts used to pay administrative expenses, shall be treated as part of the cost of the Project for which the Special Assessments are made at an interest rate which shall be determined by the District to be substantially equivalent to the fair market rate that would have been borne by notes or bonds had notes or bonds been issued by the City or another issuer of notes or bonds to pay the costs of the Project. In addition to the Special Assessments, the County Fiscal Officer of Cuyahoga County, Ohio may impose a special assessment collection fee with respect to each semi-annual payment, which amount will be added to the Special Assessments by the County Fiscal Officer of Cuyahoga County, Ohio.

Section 13: That the Director of Finance or the Director of Finance's designee is authorized and directed to prepare and file in the office of the Clerk of Council the estimated Special Assessments for the cost of the Project in accordance with the method of assessment set forth in the Petition and this Resolution, showing the amount of the assessment against each lot or parcel of land to be assessed.

Section 14: That the Owner has, in the Petition, waived the requirement for the City to, upon the filing of the estimated Special Assessments with the Clerk of Council, serve notice of the adoption of this Resolution and the filing of the estimated Special Assessments upon the Owner, as the owner of the Project Site, as provided in Section 727.13 Ohio Revised Code. To the extent the Owner has not waived the applicable procedural requirements of Chapter 727 of the Ohio Revised Code, the appropriate officials of the City shall also comply with the applicable procedural requirements of Chapter 727 of the Ohio Revised Code.

Section 15: That the Director of Finance or the Director of Finance's designee is authorized, pursuant to Ohio Revised Code Section 727.12, to cause the Special Assessments to be levied and collected at the earliest possible time including, if applicable, prior to the completion of the acquisition and construction of the Project.

Section 16: That the Special Assessments will be used by the City to pay the costs of the Project in cooperation with the District in any manner, including assigning the Special Assessments actually received by the City to the District or to another party the City deems appropriate, and the Special Assessments are appropriated for such purposes.

Section 17: That this Council accepts and approves the waiver of all further notices, hearings, claims for damages, rights to appeal and other rights of property owners under the law, including but not limited to those specified in the Ohio Constitution, Ohio Revised Code Chapter 727, Ohio Revised Code Chapter 1710, and the Charter of the City of Richmond Heights, Ohio, and consents to the immediate imposition of the Special Assessments upon the Project Site. - (viii) The right to notice of the passage of the assessing resolution or ordinance under Ohio Revised Code Section 727.26; and
- (ix) Any and all procedural defects, errors, or omissions in the Special Assessment process.

Section 18: That the City is authorized to enter into agreements by and among the City, the District, and such other parties as the City may deem necessary or appropriate in order to carry out the Project, and that the Mayor is authorized to execute, on the City's behalf, such agreements.

Section 19: That this Council hereby finds and determines that all formal actions taken relative to the passage of this Resolution were taken in an open meeting of this Council, and that all deliberations of this Council and of its committees, if any, which resulted in formal action were
